WE
DEDICATE

MR. BENJAMIN--OUR CLASS ADVISOR AND FRIEND

FOR THREE LONG YEARS HE HAS BEEN THE ADVISOR OF OUR
CLASS,
AND NOW THAT OUR SENIOR YEAR HAS COME TO PASS.
WE WANT TO SHOW HIM HOW THANKFUL WE ARE,
AND TELL HIM HE IS THE GREATEST--THE GREATEST BY FAR.

IN HIS WORK HE PLACES A GREAT DEMAND,
YET, HE IS ALWAYS THERE TO LEND A HELPING HAND.
HE IS WILLING TO EXPLAIN JUST HOW THINGS ARE DONE,
AND TO YOUR EFFORTS HE WILL ADD LOADS OF FUN.

HIS QUALITIES ARE SPECIAL AND SOME OF THEM RARE,
AND FOR THE THREE PAST YEARS WE WERE HAPPY TO
SHARE.
SHARE ALL THE HAPPINESS THAT HIGH SCHOOL BRINGS,
LIKE THE SENIOR PROM AND SO MANY OTHER THINGS.

A GREATER MAN YOU WILL NEVER FIND,
IN A PROFESSION--A PROFESSION OF HIS KIND.
WE DEDICATE THIS "64" PANTHER TO LET HIM KNOW,
THAT HE WILL BE IN OUR THOUGHTS WHEREVER WE GO.

THIS PAGE COMPLIMENTS OF THE STATE BANK OF HESPERIA

FALL

Starts the beginning of school. Before you know it, summer vacation is over and the confusing day of registration is here.

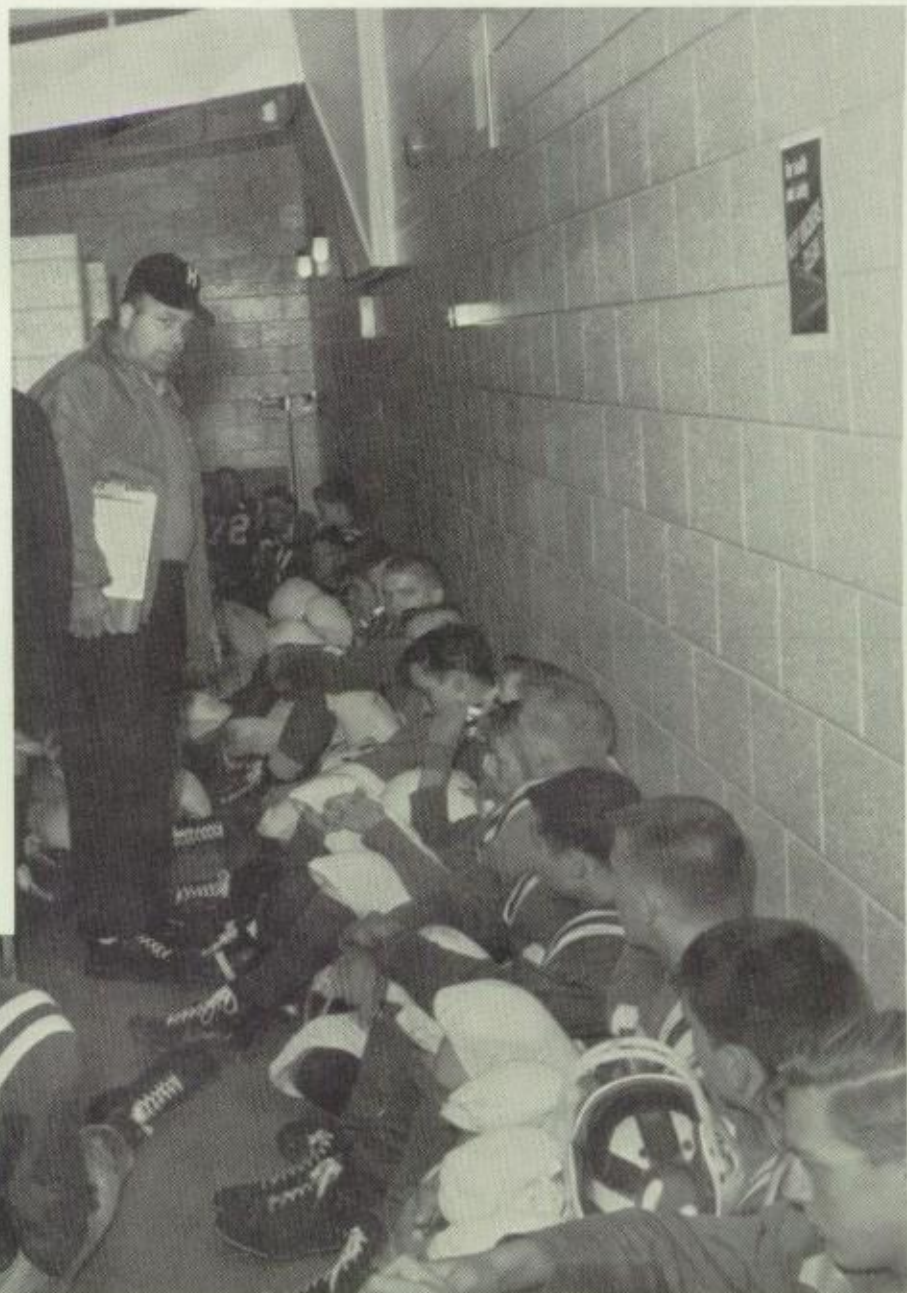

The second day of school brought many old faces and new looks to the campus.

To get us into the swing of school activities, the cheerleaders staged the first big pep rally out doors.

The pep rallies were very instrumental in leading our football team on to a victorious season.

Under the careful guidance of Coach Adams, the football team had a 5-3 win record.

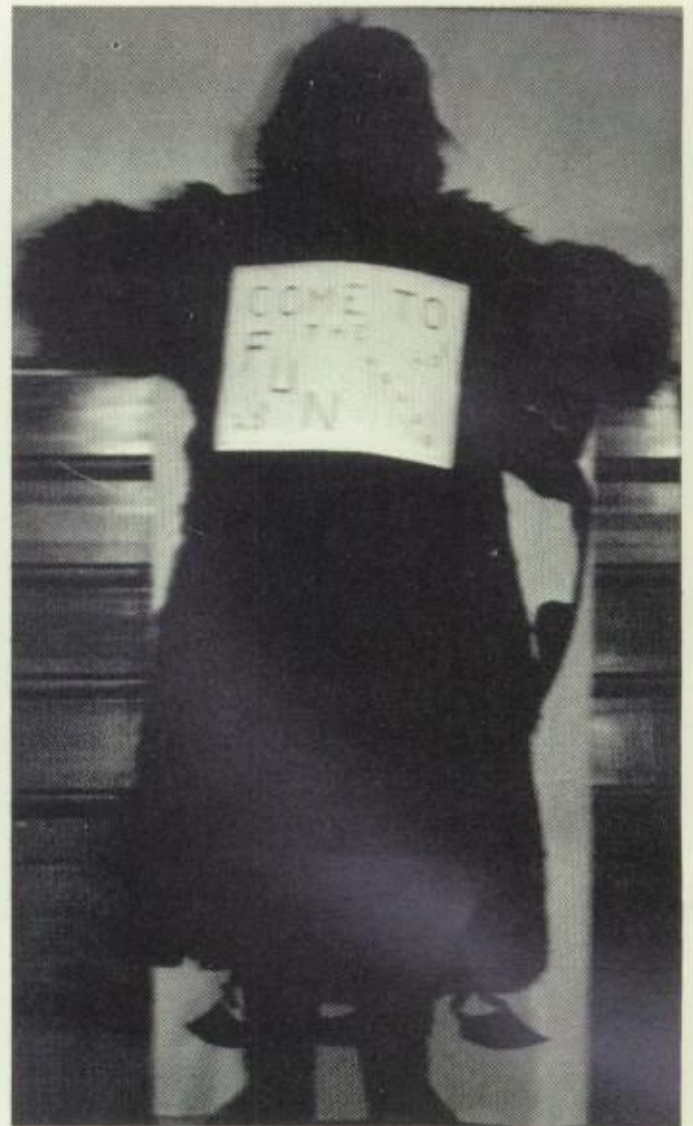

THIS PAGE COMPLIMENTS OF HESPERIA WASH-QUEEN LAUNDRY

One-half year of waiting was climaxed when Dave Ernst from Josten's arrived at the school with the juniors' class rings.

For the first time in many a year the high school held a fall carnival. The carnival included such activities as games, candid snaps, and the fun house.

On November 1, the Board of Education gathered outside to participate in a long-awaited ceremony. With President of the Board Henry Senecal turning the first shovel full of earth, ground was broke for the new junior-senior high school.

From left to right are: Harold Smith, Harry Rellinger, Bernard Johnson, Superintendent Gilbert Chilcote, President Henry Senecal, James Biggart, Robert Slate, and Byron Combs.

THIS PAGE COMPLIMENTS OF RAYOMOND FUNERAL HOME

HESPERIA

This familiar sight was no longer be seen but, will be remembered by many who will tell their stories about their fond memories for years to come.

Erected--1939

Condemned--1962

Demolished--1963

THE OLD

What a joyous and yet sad sight when Boerema Excavating Company of Sand Lake, Michigan arrived on the scene to tear down the high school building.

AND THE NEW

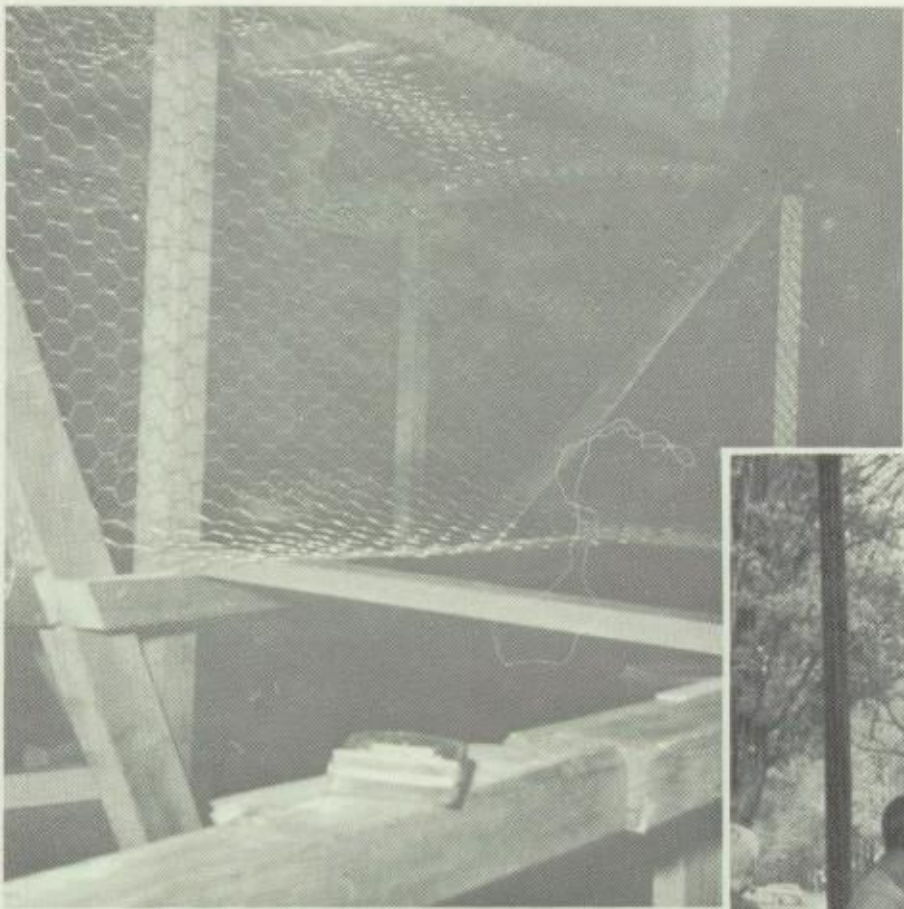

In November 1963, Karsten Construction Company arrived to start the building program. Public interest grew as the building program began to take shape.

On April 1, 1963, the voters went to polls to approve an \$820,000 bond issue.

New Elementary Building--1963-64

One of the highlights of the past season was our Homecoming, which was exceptional this year. No Homecoming is complete without the eventful building of the floats--from the bare skeleton to the finished product.

Under the Student Council's excellent supervision, each class built their float around the theme "Learning Makes The World Go 'Round."

Contestants for the Queen's Court were chosen by their classmates. BELOW, hopeful Linda Kirchenbauer folds her ballot while Dan Homan and Butch Hunt wait their turn.

On Homecoming Eve, a snake dance, a pep rally, and the burning of the dummy, Ogelthorpe, highlighted the activities.

A fine performance by all who participated in the parade made it a huge success. Following the parade everyone gathered to see the Panthers defeat the Newaygo Lions 19-6.

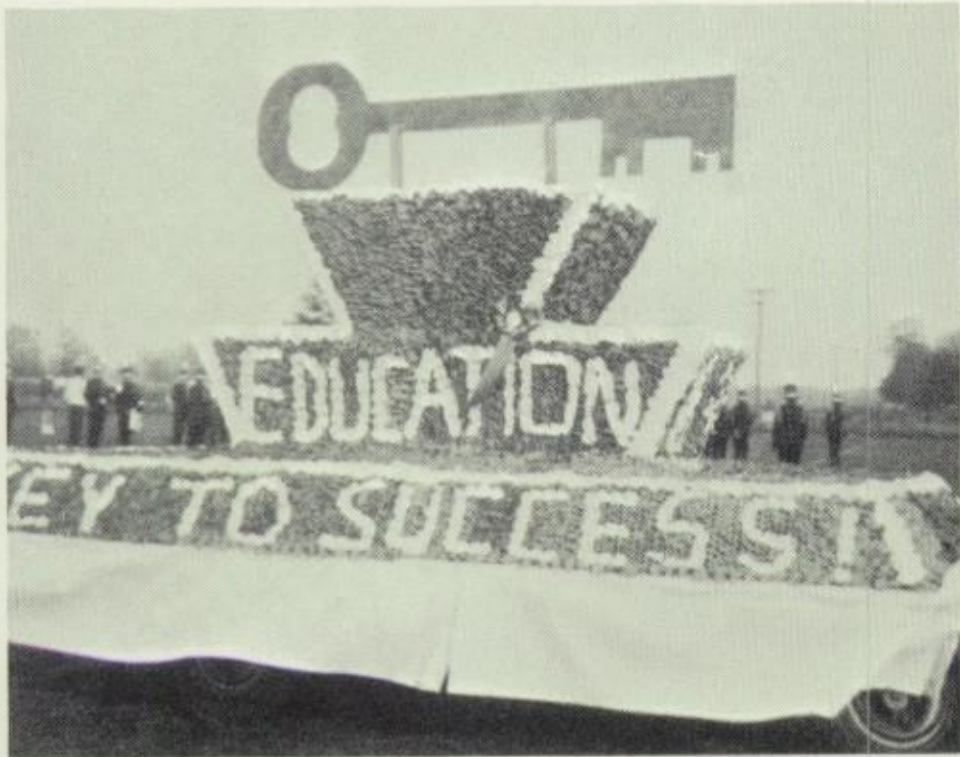

The Hesperia Lions Club lent a helping hand by selling refreshments and handling the ticket sales.

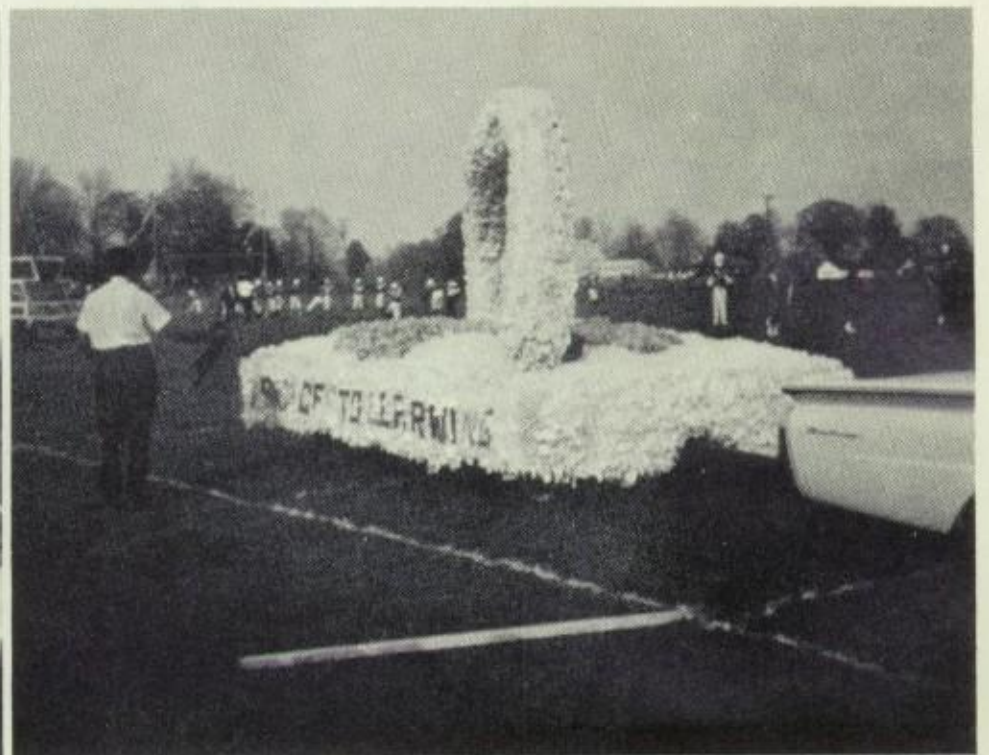

The Homecoming Dance, sponsored by the Juniors, was held at the Vet's Club. Dance music for the students as well as many alumni was furnished by Dave and Lamplighters.

brings the return to the gymnasium and all thoughts turned to basketball. With Fremont letting us use their gym and the basketball team traveling approximately 2300 miles, the Panther Orphans worked long and hard. Under Mr. Day's direction, the varsity team tried everything in the book only to win one game.

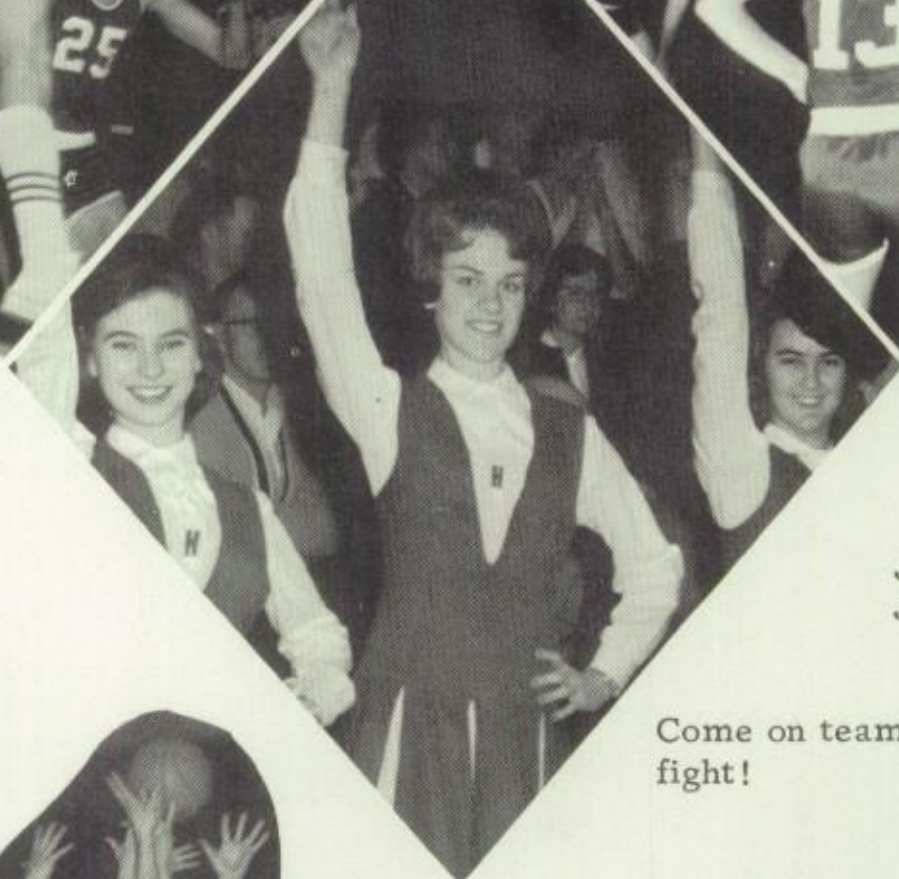

Pictured here are some of the highlights of this season.

Not this time, but we'll try again.

Alexander

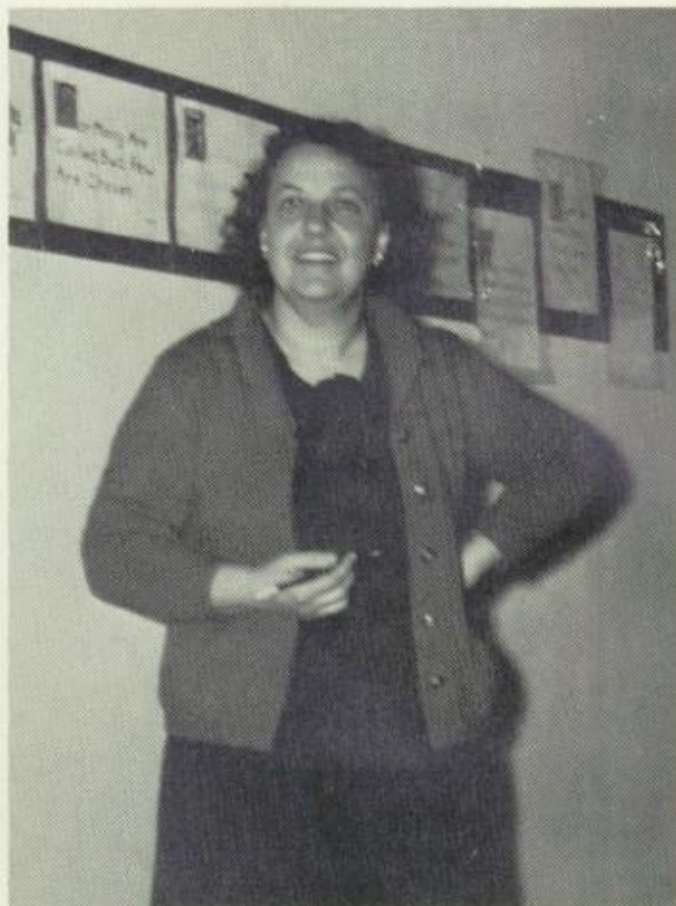

COMPLIMENTS OF HESPERIA HARDWARE—BRYON COMBS

December of 1963 was quite different than the one the year before.

It was possible for the junior class to sponsor a very successful Christmas Ball, the first dance in over a year to be held in the gym.

This event was chaired by Sally Norberg and Mary Jane Rapes. Music was furnished by the Renegades of Muskegon.

MRS. MARY McCORMICK
English

When the students returned to school after Christmas Vacation a new faculty member was introduced to the high school English classes.

Later in the year Mrs. Mary Martin of Fremont replaced Mrs. Cora Veenschoten and Mrs. Grace Budell temporarily took Mrs. Carson's class in the elementary school. Both teacher's found it necessary to leave because of illness.

The traditional record hops, sponsored by various organizations, were held in the gymnasium. Music was played during the noon hours and dancing under the supervision of the Student Council was held three days a week.

Other activities during the year were: Swimming at Fremont, Roller Skating at Shelby, Government Day at Grant, and the Mock Convention at Whitehall. We had our various color days, dress-up days, and crazy days too.

THE TYPING CHAMPS

Admiring the trophy are Carole Comer, Carol Melton, Ester Barr, Diane Cady, and Sally Norberg.

In the first round of competition Hesperia's varsity team tied for second place with Grant.

The first round of the Newaygo County Typewriting Proficiency Test sponsored by the Newaygo County Chamber of Commerce proved to be a victory for Hesperia.

The junior varsity team edged Fremont for top honors in the first round of competition. As this book goes to press, two contests are yet to be held.

In individual competition Esther Barr tied for second place with 42 words per minute.

'64 Gives Girls Chance

Music for the Leap Year Dance was furnished from nine to twelve o'clock by the Invictas.

The month of February gave the girls a chance to take advantage of Leap Year. On February 29, the senior class sponsored a semi-formal dance.

THIS PAGE COMPLIMENTS OF BEAUFORD WAY—WELL DRILLING AND EXCAVATING —HESPERIA

Mrs. McCormick's Senior English Class took for a project the "Potpourrie," an excellent school paper with plenty of information and entertainment. It was the first school paper in five years and Editors Roger Kraus and Ron Roberson did an excellent job.

February was a month for contests. The band attended the traditional solo and ensemble contest at Hart High School soon followed by the Michigan State Band Orchestra Association District Festival.

The Future Farmers of America also went to Hart and successfully attended the District Contest. Adrian Suykerbuyk placed first in the public speaking contest; placing second were Donald Myers, Robert Haase, Larry Maynard, Francis Hunt, and Jack Annis who participated in the Parliamentary Procedure Contest; placing third were Darrel Myers, Larry Sherman, Gary Pletcher, Ronnie Millis, Allan Grow, and David Brake who participated in the Farm Forum Contest.

F.F.A. Attends Farmers Week

In February, Mr. Harper accompanied the boys to Michigan State University where they attended Farmer's Week sponsored by Michigan State University. The boys had a tour of the campus and in the afternoon had a chance to meet in small groups with other students from throughout the state.

Each year it is customary for the F.F.A. to hold its annual award banquet. To the right, you will see a picture of the boys and their guests at last year's banquet.

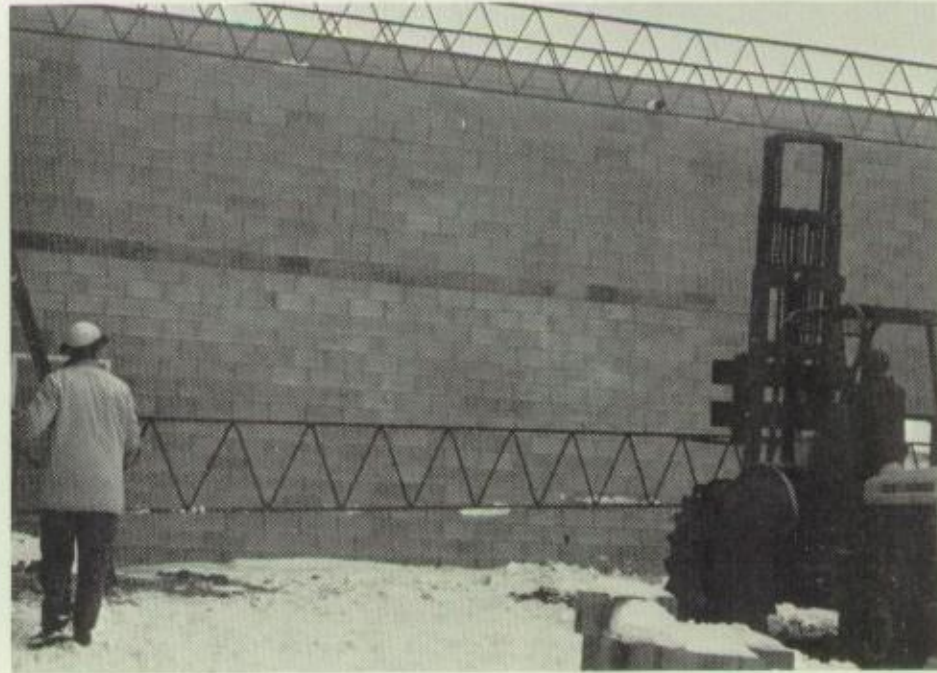

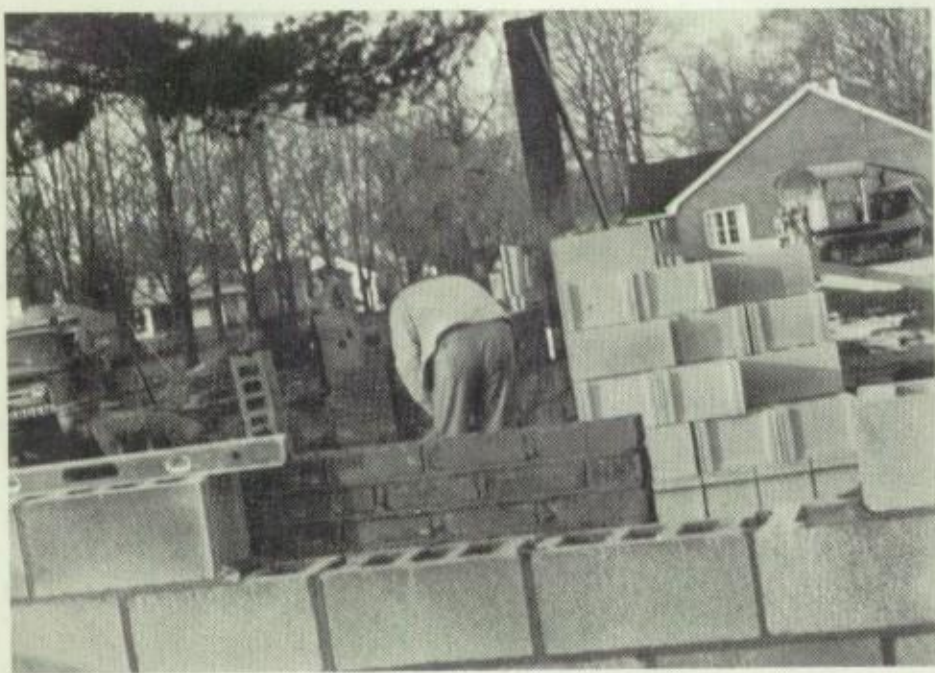

The Home Ec. Girls help with serving under the capable direction of Mrs. Rossiter.

In March the new drum majorette uniforms arrived and the girls were more than willing to show them off.

STANDING left to right: Coral Hoenshell, Kathy Miller, Carole Comer, Karen Fassett, and Cindy Comer.

and warm weather once again. As the yearbook went to press the boys' thoughts turned to baseball and track. Girls were busy preparing for the home economics table-setting contest and the annual style show.

Everyone wanted to leave their books and take to the fresh air. Of course, this wasn't possible--but the boys did leave their books--in care of the girls as Twirp Week made its annual debut. Girls opened doors, helped boys with their coats, and turned the "hot" water fountain on. Court was held and the innocent were tried and found guilty.

With construction in full swing on the high school and gymnasium building, all thoughts turned to the completion of the elementary building. Anticipation and anxiety overcame the student body and faculty when they moved in to the elementary building the latter part of April.

MAY 29, 1963

It was just a year ago when we, as juniors, marched down the aisle at White Cloud High School to take our place as honor guards for the Class of 1963.

Little did we realize the year would go by so fast and our turn to march down the aisle to receive our diplomas would be here. Yes, a few tears will be shed but a smile will come to our face as we stop and think of the bright and promising future that awaits us.

For some this will be the last trip down this aisle.

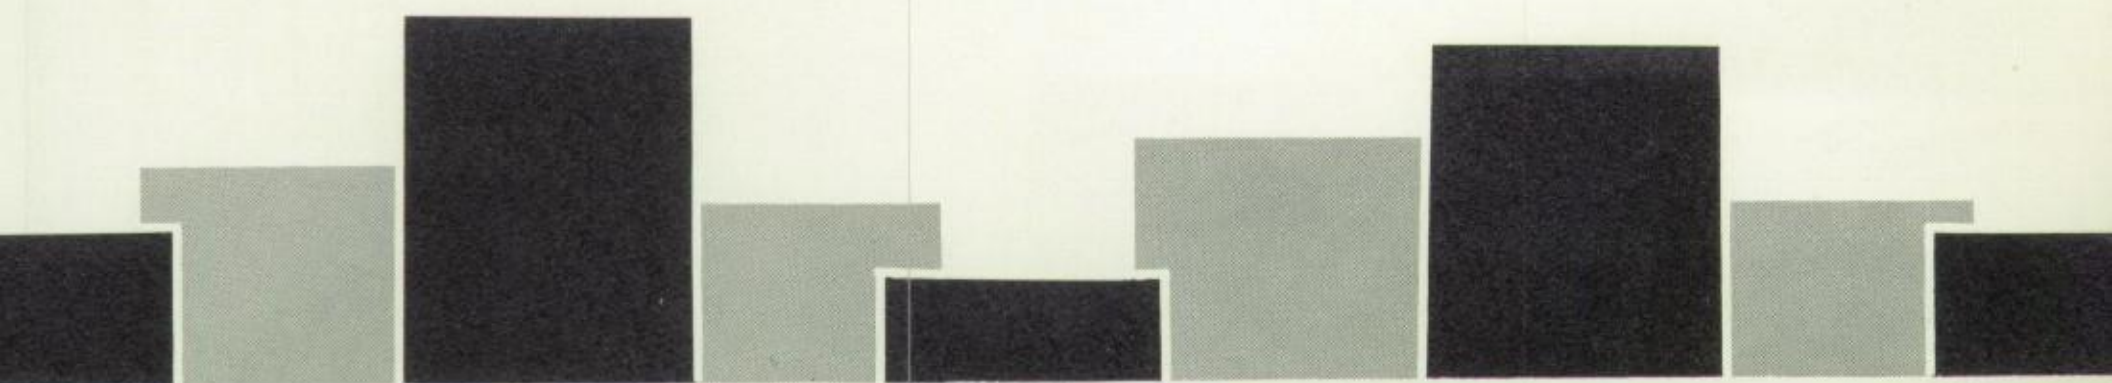

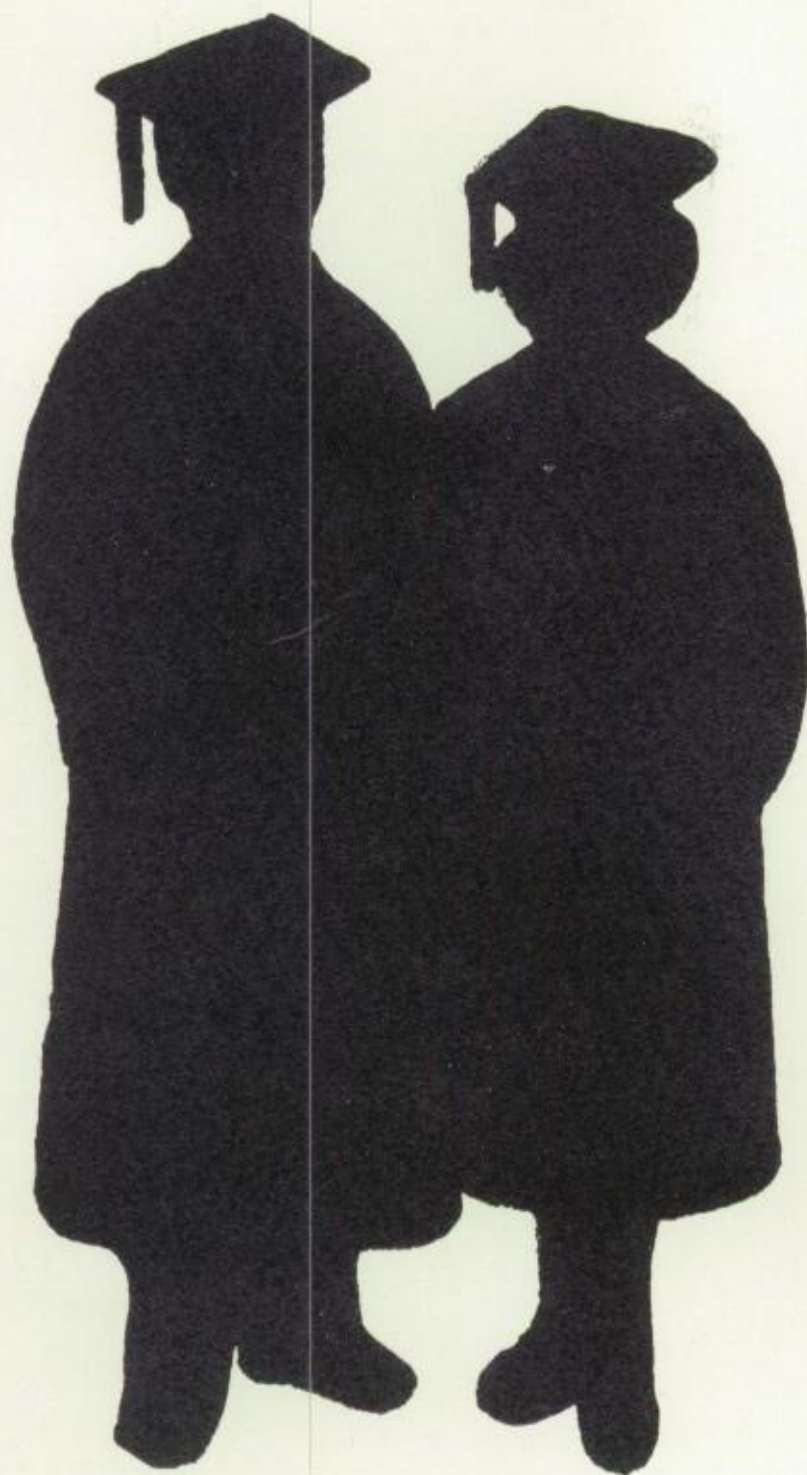

Remember--you start out on your left foot.

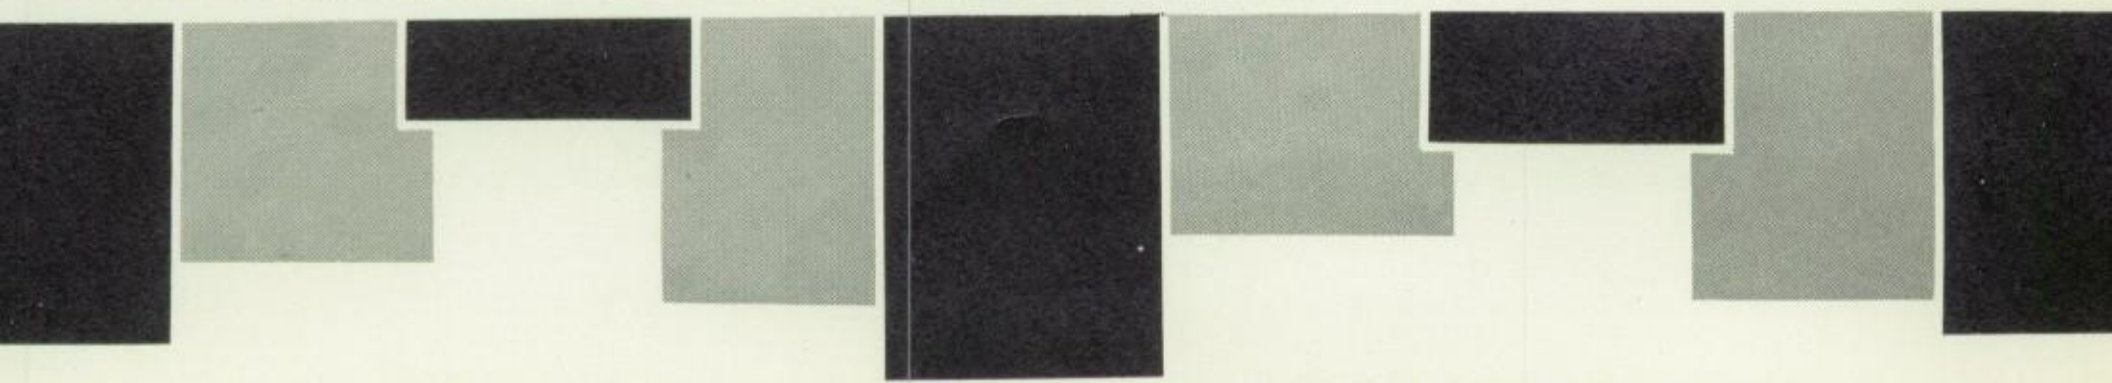

Mr. Chilcote congratulates Laura Balcom as he hands her the almighty possession--a high school diploma.
